

Regenerating Deptford: Have Your Say

Your Labour Action Team is asking you to let them know what you think about plans to redevelop our community. Councillors Sam Owolabi and Crada Onuegbu, along with Joseph Folorunso have been working with Steve Bullock, Lewisham's Mayor and Joan Ruddock MP to bring investment into Deptford for new homes, public spaces and community facilities.

Labour is working hard to ensure that the regeneration of Deptford benefits the local community

The Council is asking residents to share their thoughts on a current proposal on a potential development in Oxestalls Road that would bring residential and business units to our area as well as provide more green public space. If you'd like to have your say, get in contact with us and we'll tell you how.

Joan Ruddock MP: commenting on the regeneration plans for Deptford said, "The coming months and years are going to bring exciting changes to Deptford. If you look at the

plans for regenerating large areas of Deptford, you can sense the potential for positive change. I look forward to working with a Labour Council in the coming years to make these changes a reality."

Your Labour Team will be working hard to make improvements to our area and they'd love to hear your thoughts. Just fill in the reply slip overleaf and return to Lewisham Labour FREEPOST or visit www.lewishamlabour.co.uk

Tories cut your Police

Tory Boris Johnson plans to cut 455 police officers after resigning as chair of the Metropolitan Police Authority.

Over £16 million will be slashed from the police budget as a result of Johnson's decision.

Your Labour Action Team are campaigning for Boris Johnson to commit to retaining Safer Neighbourhood Teams (SNTs) in Lewisham. Labour introduced SNTs so residents have a visible, contactable and local police service. The Tories should be backing SNTs, not trying to cut them.

If you want to protect and improve your community, get in touch with your Labour team

Why Labour?

Now, more than ever, our part of the borough needs a Labour government and a Labour Council. Only Labour have the experience and the ideas necessary to protect services for the most vulnerable in society and bring forward improvements to our children's schools, to our public spaces and to our estates.

Your Labour Team will continue to fight on your behalf for the best deal for our community.

Labour is...

- Rebuilding or refurbishing every secondary school
- Freezing Council tax for every household
- Increasing the budget for Lewisham's Young Mayor
- Creating apprenticeships & new jobs
- Regenerating our town centres

Better Facilities and Free Swimming with Labour

Over 42000 people have taken up Labour's offer of free swimming in Lewisham since June 2009. The new extended Wavelengths pool in your area means if you are under 16 or over 60, you can swim for free in some top class facilities. Only Labour will deliver activities for young and old alike.

Fighting Fly Tipping

Lewisham's Labour Mayor, Steve Bullock is fighting back against the fly tippers by introducing the UK's 1st mattress recycling scheme meaning that fewer mattresses will be left on our streets. Get in contact with us for more details.

The Apprentice: Lewisham - You're Hired

Labour in Lewisham has set up an apprenticeships scheme at the Council and in other organisations around the borough. We're also creating jobs through funding from the Labour government, keeping people in work and putting Lewisham in a strong position as we come out of recession.

Making Our Streets Safer

Thanks to Labour, there are more police on the beat and street wardens are now operating in Deptford and New Cross Gate. Safer Neighbourhood Teams now operate in every ward in the borough.

Vote Labour: make a difference

People sometimes say to me that political parties are all the same and that voting doesn't make a difference; I think that's wrong. All around Lewisham, you can see the difference that a Labour Government, working with a Labour Council is making. Without this combination, we wouldn't have children's centres or new school buildings, we wouldn't have a minimum wage or tax credits and we wouldn't have a Police Safer Neighbourhood Team in every ward.

If you look at Tory run boroughs, they don't have free swimming for over-60s and under-16s as we do in Lewisham, they haven't set up apprenticeship schemes for young people like Labour have in Lewisham and they cut services for the most vulnerable in society.

Only by voting can you have your say on what happens in your area. Only by voting Labour can you protect what has been achieved in Lewisham for the future.
