Our Priorities: Bromley Road

Getting investment into the Bromley Road is one of the key campaign aims for Whitefoot's local Labour Team.

With pubs such as the Green Man and Tiger's Head boarded up, and Woolworths shut in Downham, the area is crying out for new jobs, new amenities and new community facilities.

Labour's local council candidates, Janet Daby, Matt O'Mullane and David Warwick want to work with the local community to get the best for the area. They are clear that local people must be listened to. Commenting on what's needed, **David Warwick said:** "Any development has to be in-keeping with the area. It would be great to get a pub back and we need to improve road safety at some of the busiest junctions.

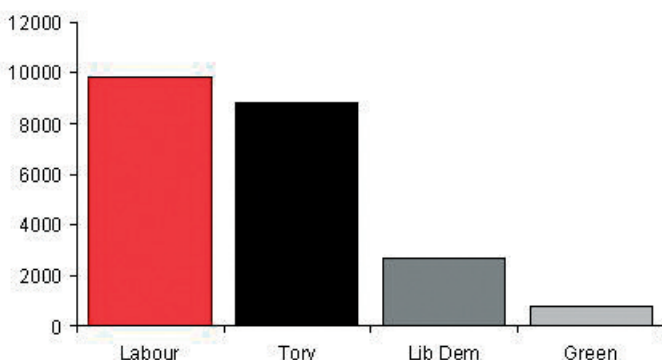

"Along with our Parliamentary Candidate **Heidi Alexander**, Matt, Janet and I will stand up for the interests of local people and we'll make sure your voice is heard."

The Tories: a change you can't afford

How you voted at London Mayor Elections 2008
Lewisham East wards: first preference votes for London Mayor

The next election will be a two horse race between Labour and the Tories. A vote for the Lib Dems will allow the Tories back in - Downham and Whitefoot deserve better!

In a few months time you will have the chance to vote in this year's elections, a straight fight between Labour's local candidates, Heidi, Steve, David, Janet and Matt and Cameron's Tories.

People in Lewisham know better than most that the Tories are a change we can't afford. That's why in 2008 and 2009 local voters came back to Labour to keep them out of our area. A vote for the Lib Dems or the Greens in 2010 will only help the Tories - Whitefoot deserves better!

Labour: Investing in Whitefoot & Downham

21st Century Schools

Local schools are going from strength to strength, thanks to Labour's multi-million pound investment programme. Knights Academy is now the 2nd most popular school in Lewisham and GCSE results at Catford High and Bonus Pastor have improved year on year.

Cleaning Up Whitefoot

Lewisham's Labour Council has launched a free mattress recycling scheme. Fed up with dirty old mattresses dumped on the streets, Sir Steve Bullock has launched a free collection service - email whitefoot4labour@googlemail.com for more information.

Homes Transformed With Phoenix

By the end of March 2010, over 2000 homes in Downham and Bellingham will have had a range of improvements carried out including new kitchens, bathrooms and windows. Whilst more needs to be done, progress is being made.

Better Leisure Facilities

The Downham Health & Leisure Centre is proof of Labour's commitment to providing first class facilities for the local community. Since Labour's free swimming was introduced in 2009, the number of children and pensioners who have made use of the scheme locally has doubled.

Vote Labour: make a difference

People sometimes say to me that political parties are all the same and that voting doesn't make a difference; I think that's wrong. All around Lewisham, you can see the difference that a Labour Government, working with a Labour Council is making. Without this combination, we wouldn't have children's centres or new school buildings, we wouldn't have a minimum wage or tax credits and we wouldn't have a Police Safer Neighbourhood Team in every ward.

If you look at Tory run boroughs, they don't have free swimming for over-60s and under-16s as we do in Lewisham, they haven't set up apprenticeship schemes for young people like Labour have in Lewisham and they cut services for the most vulnerable in society.

Only by voting can you have your say on what happens in your area. Only by voting Labour can you protect what has been achieved in Lewisham for the future.
